I have read [redacted] referenced paper concerning his dis-
cussions [redacted] I believe all of the matters covered therein are ones
which I will ask you to follow-up, at least initially. I do not happen to
remember the paper referenced in paragraph 1, a. as having been sent
[redacted] and cannot therefore comment on suggestions for
ELINT/COMINT operations. As to the loan of a System 3, we have as
you know agreed to this in principle. Would you give me a progress
report on these matters at your convenience.
